Major League Pickleball is the premier team-based professional pickleball league, with a unique structure:

TEAMS

MLP features 24 teams – each consisting of two men and two women – split into two groupings of 12

LEVELS

Premier Level is home to the top 48 players drafted while Challenger Level boasts the next crop of 48 draftees looking to make their ascension to the top of the league.

SCORING

Games are played to 21 in a fan-friendly “rally scoring format” with points won regardless of who served.

MATCHES

At all MLP events, every match features men’s doubles, women’s doubles, and two rounds of mixed doubles – each worth one point. The first team to earn three points wins their match.

DREAMBREAKER

If the teams split the games, 2-2, the match goes to a unique “Dreambreaker” tiebreaker – a singles match with each player playing four points and rotating out, until one team gets to 21 and wins the match.

GROUP STAGE VS. KNOCKOUT ROUNDS

Ahead of MLP events, the 12 teams at each level (Premier and Challenger) are randomly drawn into three (3) groups of four (4) teams. The Group Stage round features each team playing the other three teams in their group, with the top two teams in each group advancing to the Knockout Rounds. The top two (2) overall teams at each level will earn a bye and spot in the Semifinals.

HOW ARE TOURNAMENT PLACES DETERMINED?

Teams that do not advance to the Knockout Rounds are 7th-12th and sorted by:

- Match Wins, then Games Net, then Points Won %
- Teams that lose in the Quarterfinals are 5th and 6th
- Teams that lose in the Semifinals are 3rd and 4th
- The Runner Up Team is 2nd and the Event Champion is 1st

Tiebreakers will be by Match Wins, Games Net, Points Won % for each tournament. The tiebreakers only count between Teams 5 and 6, and Teams 3 and 4, in order to determine Event Points.

SEASONS

The 2023 MLP schedule features two seasons of three events each.
